MISSIONAL REALIZATION

/ resource 1: land + space resource

LAND + SPACE RESOURCES

- There are many churches with much land and facilities that God has given.
- To be good stewards, we should seriously consider opening the doors our churches and practice hospitality.

Thom S. Rainer, *The Post Quarantine Church: Six Urgent Challenges and Opportunities That Will Determine the Future of Your Congregation* (Carol Stream, Illinois: Tyndale Momentum, 2020), 19.

LAND + SPACE RESOURCES

- A largely untapped opportunity for the established church — the building itself.
- In allowing your neighborhood to utilize your building, you are blurring the lines between sacred and secular, and reintegrating into the fabric of your community.

Matt Broweleit, *Out of the 4th Place* (Seattle: Back Deck Books, 2018), 209.

/ resource 2: financial resource

FINANCIAL RESOURCES

- "Kingdom economics" – refers to creative ways of making use of the financial resources that God has given us.

Mark Deymaz, *The Coming Revolution in Church Economics: Why Tithes and Offerings Are No Longer Enough, and What You Can Do About It* (Grand Rapids: BakerBooks, 2019), 51.

FINANCIAL RESOURCES

- Rather than putting their donations in the bank, churches should seriously consider the concept of "impact investment," investing their money into projects with "kingdom" impact.

Mark Elsdon, *We Aren't Broke: Uncovering Hidden Resources for Mission and Ministry* (Grand Rapids: Wm. B. Eerdmans Publishing Co., 2021), 24-25.

FINANCIAL RESOURCES

- "Impact projects" are to be created by church members, releasing resources of the church, such as space, finance and human resources.

Mark Elsdon, *We Aren't Broke: Uncovering Hidden Resources for Mission and Ministry* (Grand Rapids: Wm. B. Eerdmans Publishing Co., 2021), 24-25.

/ resource 3: human resource

HUMAN RESOURCES

- When God created each one of us in our mother's womb, He already has a unique "calling" for everyone of us, no matter whether we become believers or not.

楊錫錕,《召命: 以生命回應神的召唤》(香港: 福音證主協會, 2017), 135.

HUMAN RESOURCES

- After we are born, God "calls" each one of us to live out our true self, responding with our lives, making use of our talents, co-creating with God.

楊錫錕,《召命: 以生命回應神的召唤》(香港: 福音證主協會, 2017), 25.

HUMAN RESOURCES

- "Calling" is a gift of God, something to receive rather than to earn.

楊錫錕,《召命: 以生命回應神的召喚》
(香港: 福音證主協會, 2017), 43.

HUMAN RESOURCES

- Every person, no matter what age or how much life experience he/she has, God wants each one to respond with his/her calling within his/her context.

楊錫錕,《召命: 以生命回應神的召喚》
(香港: 福音證主協會, 2017), 135.

MISSIONAL PROJECT

- Respond to the needs of our context;
- Create simple "life-style" activities;
- Increase opportunities to connect and to build relationships with neighbors.

from bottom up

MISSIONAL PROJECT

- Empowerment - empowering believers to use their talents, gifts, experiences, passions, dreams, burdens, visions, etc.

MISSIONAL PROJECT

- The pastor / leaders' job is simply to encourage, support and facilitate these projects to happen, sustain and continue to develop.

/ missional business

MISSIONAL PROJECT

MISSIONAL BUSINESS

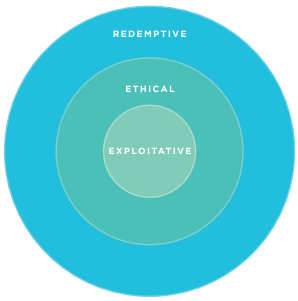

MISSIONAL BUSINESS

- "Missional businesses" are similar to "missional projects," also driven by the missio Dei.

MISSIONAL BUSINESS

- The focus is in building the "kingdom of God," bringing kingdom value into the marketplace.
- Many characters in the Bible were business people, especially those of the early church.

REDEMPTIVE BUSINESS

- A redemptive business an approach to enterprise that moves beyond standard profit-maximizing or purely ethical (do-no-harm) models, focusing instead on creative restoration through sacrifice, love, and service.
